BACKBEATER

TEMPO MONITOR

Backbeater™ mounts directly onto a snare drum, so it can hear every beat. When paired with our free app for iOS and Android, Backbeater monitors a drummer's playing and displays the exact tempo being played. Your customers will never miss another beat.

Product	SKU	MOQ	< 50 UNITS	50 - 250 UNITS	250+ UNITS
Backbeater	ESDHW201	12	\$20.00	\$18.00	\$15.00
